

FY18 Annual Impact Report

Our Mission: To provide hope and healing to those impacted by domestic violence and sexual assault.

83%

of clients experienced an increase in their personal safety after receiving services from Victim Assistance.

95%

of Shelter residents had learned an increased number of strategies to stay safe.

83%

of Shelter residents exited the Shelter to safe housing.

95%

of clients felt supported by the attorney representing them.

88%

of Sexual Assault Counseling clients have shown symptom reduction, improvement in self management, and enhanced daily functioning.

We're grateful to all of our partners who work side by side with Safe Alliance to provide hope and healing to survivors of domestic violence and sexual assault. Together over the past year we offered life-changing support to thousands of people who live and work in the Charlotte-Mecklenburg and Lake Norman communities. Our Domestic Violence Shelter provided safe housing for 934 survivors. We delivered free legal services for 436 survivors seeking protective orders through our Legal Representation Program and our Victim Assistance team provided 4,923 court accompaniments. Through our Domestic Violence and Sexual Trauma Resource Center programs, we developed more than 6,000 safety plans and answered over 8,000 hotline calls. We're also excited about the following key initiatives:

Our **Greater Charlotte Hope Line**, a partnership with the Mecklenburg County Department of Social Services, is opening in FY19, providing a two-generation approach to prevention and intervention for those who have experienced or are at risk for domestic violence, sexual assault and child abuse or neglect.

In FY17/18 Safe Alliance significantly deepened our **Racial Equity efforts**. We were awarded a United Way Unite Charlotte grant to provide extensive racial equity training for our staff and board. We formed an Equity, Diversity and Inclusion (EDI) committee to ensure efforts to dismantle racism are woven into every aspect of everything we do and we look forward to expanding this work in FY19.

We continue to grow our **Transitional Housing Program**, piloted last year in partnership with Mecklenburg County Community Support Services and Community Link. The program places families into rapid re-housing and provides supportive mobile case management to promote safety and self-sufficiency.

This year we laid the groundwork to initiate **E-filing** at our Victim Assistance office. This program will allow victims and their children seeking protective orders to file electronically from our safe, trauma-informed offices, avoiding a trip to the courthouse and increasing safety and confidentiality.

Safe Alliance is taking a lead role in community efforts to create a **Family Justice Center**. In collaboration with other public and private partners, we're working to build a center where victims of abuse may receive expedited services in one trauma-informed location.

It is only through your support that Safe Alliance is able to offer this level of innovative support to survivors of violence in our community. Thank you for your dedication and determination to build a healthier and more peaceful Charlotte-Mecklenburg!

Sincerely,

Karen Parker, President & Chief Executive Officer

A Sincere Thank You

There are often many words that go unsaid but I would like to take the time to say thank you to all community donors.

Thank you for giving your time, generous gifts, and opening up your heart of gold to help with the needs of those like myself going through this hurdle of life's difficult challenges. I know for myself, you see the little comments of positive words written on the items given to you saying "your beautiful", "Be your true self", "Believe in yourself", "Your special" and although so simple it does open up your mind and heart to being open to receiving the good, so you can cancel out all the bad. Giving your time to see, understand, and give donations, is the most thoughtful gift you all could give to me and all others in my situation.

Sometimes the smallest things take up the most room in your heart, and I am humble and grateful for being able to receive it.
