A MESSAGE FROM THE PRESIDENT

The COVID-19 pandemic, its lingering impact, and the lessons we learned require Safe Alliance to think creatively and be adaptable in the ways we address the ever-evolving needs of domestic violence and sexual assault survivors. You have been our partner this year, and we thank you for investing in life-changing and life-saving programs for survivors in Mecklenburg County.

I want to share several 2021-2022 accomplishments that highlight how we responded to the needs of survivors this year:

- The Greater Charlotte Hope Line added a chat feature on the website so those in need of domestic violence, sexual assault or parenting support resources could reach out via chat if they were unable (or unsafe) to call.
- The Clyde & Ethel Dickson Domestic Violence Shelter and capacity-expanding hotel rooms continued to offer emergency shelter for residents and experienced zero COVID-19 cross infections of clients or staff.
- The Survivor Resource Center, a precursor to the Umbrella Center, celebrated its one-year anniversary in February and served 1,400 survivors in its first year alone.
- Support groups within our Sexual Trauma Resource Center and Victim Assistance Court Program resumed with both in-person and virtual groups being offered.
- Tele-therapy became a permanent service for survivors in addition to in-person options.
- Safe Alliance collaborated with Mecklenburg County and homeless service providers on the “2026 Plan” for long-term safe sheltering.

I’m also excited about the expansion of Equity, Diversity, and Inclusion initiatives, including the completion of three agency-wide practice change initiatives, racial equity training and a staff retreat on micro-aggressions and inclusion.

Safe Alliance’s mission would not be possible without the dedicated staff who work with survivors every day to face their trauma, reclaim their independence, and build a violence-free life for themselves and their families. **And our work isn’t possible without your support, so on behalf of survivors in Mecklenburg County, our staff, and our board of directors – thank you!**

Karen Parker
