# A MESSAGE FROM CEOS PAST AND PRESENT

For Safe Alliance, Fiscal Year 2023 stands out as a time full of new opportunities and growth for our organization. As we work to support survivors in our community by learning, improving, and collaborating on services, we are excited to share our achievements this year.

During a season of leadership transition and change, we look forward to seeing where this upward momentum will lead us as we partner with Mecklenburg County, the City of Charlotte and other leading nonprofits to create **The Umbrella Center**, our community's first family justice center.

In addition to the accomplishments shared on the following pages, we want to highlight that our **Greater Charlotte Hope Line**, the entry point into Safe Alliance's services, has extended the hours for its online chat feature until 11 PM to increase access to resources for people in crisis. This means individuals can still seek support even if it is unsafe for them to call. The **Victim Assistance Court Program** now offers increased ways for pro bono attorneys to advocate for survivors, including the option for a virtual review of legal complaints. Our therapy and support groups through the **Sexual Trauma Resource Center** and at our **Clyde and Ethel Dickson Domestic Violence Shelter** have also expanded their offerings prompting increased engagement as survivors connect with our staff and each other to process their trauma and begin to heal.

Thank you for your partnership over this past year. Your commitment and support provide life-changing resources offered 24/7 by our trained and compassionate staff. Thanks to you, whenever a survivor is ready to reach out for help, Safe Alliance is there to offer a pathway toward a violence-free life.

On behalf of our clients, staff and board of directors, thank you for supporting Safe Alliance and our mission to bring hope and healing to survivors of sexual and domestic violence in Mecklenburg County!
